### **Daniels assures public hearing testimony to be considered in budget process**

Concord, NH - Today, the Senate Finance Committee held the public hearing on HB 144 and HB 517, bills which provide the foundation for the state budget for Fiscal Year 18-19.

Senate Finance Chair Gary Daniels (R-Milford) issued the following statement:

"I am pleased to see so many Granite Staters come out today to present their ideas, questions or concerns during the public hearing with the Senate Finance Committee as part of the regular budget process."

"Our goals continue to include meeting the needs of New Hampshire's most vulnerable citizens while spending only what we can afford. We will work hard to thoughtfully consider the testimony presented today as we continue to work through balancing the complex needs in our state."
