Republicans Protect Our Granite Advantage Healthcare Program

Concord, NH – Senator Jeb Bradley (R-Wolfeboro) released the following statement on the passage of Senate Bill 263, relative to Medicaid expansion:

“Since 2014 New Hampshire has charted its own path in providing expanded access to the Medicaid program for low-income families while protecting New Hampshire taxpayers,” stated Senator Bradley.

“This Granite State approach has helped make health care affordable for thousands of people, lowered health insurance costs, and reduced uncompensated care costs at New Hampshire hospitals which is a hidden tax passed on to employers and individuals with private insurance.

“After nine years Medicaid Expansion has proven to be a success and it will now continue to benefit Granite Staters for years to come.”
