Republicans Protect Our Granite Advantage Healthcare Program

Concord, NH – Senators Jeb Bradley (R-Wolfeboro) and Senator Regina Birdsell (R-Hampstead) released the following statement on the passage of Senate Bill 263, relative to Medicaid expansion:

“Since 2014 we’ve charted our own path in providing expanded access to the Medicaid program, and our Granite State approach has helped make health care affordable for thousands of people as well as protected New Hampshire taxpayers.

“Under this program, we’ve lowered health insurance costs and reduced uncompensated care costs at New Hampshire hospitals – a hidden tax passed on to employers and individuals with private insurance.

“We’re grateful for the support of our Senate colleagues in supporting this important program for Granite State families.”
