Statement by Senator Carson on SB144

Concord, NH - Senator Carson (R-Londonderry), issued the following statement on SB144, relative to tuition waivers for children in guardianships after being in state foster care:

“Children deserve every opportunity when it comes to receiving an adequate education – senate bill 154 enforces equal financial assistance,” stated Senator Carson.

“Both parents and guardians hold the important role of raising a child, a responsibility that comes with great financial obligations, but until now these two groups weren’t provided the same tuition assistance for their dependents.

“I am proud to say that we have confirmed the option of tuition waivers for all children.
