### **Supporting New Hampshire Educators**

**Concord, NH** – Senator Carrie Gendreau (R-Littleton), issued the following statement on the passage of Senate Bills 140 and 218, helping to strengthen the educator workforce:

“Ensuring our children have the best education they can get is a top priority for every parent,” stated Senator Gendreau.

“To make sure that becomes a reality, we must have excellent teachers to work in our schools. SB140 and 218 will help us recruit this valuable workforce, and make sure they have professional development opportunities.”
