### **Senate FITN' Series Continues with Perry Johnson**

**Concord, NH** - Following the visit of 2024 Presidential Candidate Perry Johnson, Senate President Jeb Bradley emphasized the continued support for New Hampshire's First in the Nation Primary:

"On behalf of the New Hampshire Senate, I would like to thank Perry Johnson for making the time to be with us today," stated Senator Jeb Bradley.

"As the First in the Nation primary state, New Hampshire plays a crucial role in the presidential election process. It is important that our state's leaders have the opportunity to hear directly from candidates and learn about their vision for our country.

"As the 2024 presidential campaign heats up, I urge all candidates to come to New Hampshire and make their case to our voters.

"Our state is small but mighty, and we take our role in the primary process very seriously. I look forward to continuing the conversation with all of the candidates and working together to build a better future for our country."
