STATE OF NEW HAMPSHIRE

*In the Year of Our Lord Two Thousand Seventeen*

AN ACT                    relative to security screening at state correctional facilities.

*Be it Enacted by the Senate and House of Representatives in General Court convened:*

1            175:1 State Prisons; Security Screening Required. RSA 622:6-a is repealed and reenacted to  
2 read as follows:

3            622:6-a Security Screening Required. Any individual entering the secure perimeter of a state  
4 correctional facility, including but not limited to visitors, state officials, employees, contractors, and  
5 vendors, shall be subject to one or more security screenings and inspections that will incorporate  
6 the use of electronic devices, visual searches, pat searches, or search by drug dog. All prisoners  
7 may be subject to one or more security screenings and inspections, including a full body security  
8 scanner at any time and shall be subject to one or more security screenings, including a full body  
9 scanner upon entering the secure perimeter of a state correctional facility. The full body security  
10 scanners shall be installed and operated in a manner that only enables the detection of weapons  
11 and contraband. No image created by a full body scanner shall be copied or duplicated except for  
12 images that are used for investigative purposes or that show weapons or contraband and are needed  
13 as evidence for prosecution.

14            175:2 Effective Date. This act shall take effect 60 days after its passage.

Approved: June 28, 2017  
Effective Date: August 27, 2017
