

Amendment to SB 67

1 Amend the bill by replacing all after the enacting clause with the following:

2
3 1 Statement of Purpose. The purpose of this act is to enhance the ability of the New Hampshire
4 state police to patrol our state highways and protect the public, support other law enforcement
5 agencies and to reduce civil liability, by ensuring that the laws defining state police jurisdiction are
6 unambiguous and comprehensive. As the population increases and tourism grows, local and state
7 law enforcement agencies are increasingly called upon to work in a coordinated and cooperative
8 manner to address the public safety needs of this state, particularly in the areas of impaired driving
9 enforcement and stemming the flow of illegal drugs traveling into New Hampshire on our
10 roadways. This act shall ensure there are no jurisdictional limitations on that cooperative law
11 enforcement effort. This act is not intended to limit the critical role that local law enforcement
12 agencies play in protecting public safety in their respective communities.

23 processes. No police employee shall act, be used or called upon for service within any town in any
24 industrial dispute unless actual violence has occurred therein, and then only upon order of the
25 governor. When any police employee shall apprehend any person who has committed or attempted
26 to commit a felony the director shall immediately make a report to the attorney and the sheriff of
27 the county ***and the chief of police of the municipality*** in which the offense was, or was
28 suspected of being, committed and such cases shall be investigated and prosecuted by said county
29 officials with the cooperation of said police employees.

30 3 Jurisdiction of Police Employees. Amend RSA 106-B:15 to read as follows:

11 abated, quashed, or dismissed and no evidence in a criminal case shall be suppressed or excluded
12 because a police employee has failed to comply with the jurisdictional limits of this section,
