

Floor Amendment to SB 133-FN

1 Amend the bill by replacing section 1 with the following:

2

3 1 State Prisons; Security Screening Required. RSA 622:6-a is repealed and reenacted to read as
4 follows:

5 622:6-a Security Screening Required. Any individual entering the secure perimeter of a state
6 correctional facility, including but not limited to visitors, state officials, employees, contractors, and
7 vendors, shall be subject to one or more security screenings and inspections that will incorporate
8 the use of electronic devices, visual searches, pat searches, or search by drug dog. All prisoners
9 may be subject to one or more security screenings and inspections, including a full body security
10 scanner at any time and shall be subject to one or more security screenings, including a full body
11 scanner upon entering the secure perimeter of a state correctional facility. The full body security
12 scanners shall be installed and operated in a manner that only enables the detection of weapons
13 and contraband. No image created by a full body scanner shall be copied or duplicated except for
14 images that are used for investigative purposes or that show weapons or contraband and are needed
15 as evidence for prosecution.
