287-I:3 Commission Agents. The commission shall conduct sports books for sports wagering through agents selected through a competitive bid process and approved by the governor and executive council. Any such contract shall be based on the state receiving a percentage of revenue from sports wagering activities within the state. The commission shall ensure that an agent demonstrates financial stability, responsibility, good character, honesty, and integrity. In selecting an agent, the commission shall consider, at a minimum, the experience and background of the agent, the agent's ability to serve proposed locations for sports book retail operations, the agent's mobile and Internet capabilities, the agent's contribution to economic development within the state, the agent's commitment to prevention of problem gambling, to responsible gaming, and to integrity in betting. The commission shall select a group of bidders who best meet the criteria set forth in this paragraph and select from that group the agents whose bids provide the state with the highest percentage of revenue from the sports wagering activities covered by the bids, provided that the commission determines that the bidder's commitment to return said revenue percentage to the state is consistent with the bidder's commitment to meet all other criteria specified in the bid request and in applicable law. All agents shall be subject to criminal and financial background checks as prescribed by the commission.
