Hi,

I would request that section 33 of HB2 be replaced with the following:

Department of Health and Human Services; Change in Federal Match Revenue. During the biennium ending June 30, 2023 any item submitted to the Joint Fiscal Committee which increases a draw on federal funds, as a result of miscalculation of or change in the state's share of federal match program in excess of \$100,000 in an Accounting Unit, must also include an explanation stating if any general funds have been supplanted, and if so, for what purpose those supplanted general funds will be used, and the amount of supplanted general funds anticipated to lapse.

I can testify more to it this week if necessary. I've discussed with the Governor's Office the unintended consequences of the current language of Section 33 and they support me providing alternative language. Also, this probably needs some OLS smoothing.

Thanks,

Kerrin
