Attached are Kim Reeve's comments on Final Proposal 2022-28 from the Real Estate Commission

There are many substantive issues remaining mostly due to lack of clarity because the forms contain requirements not found in the rule text such as attestations, permission to release an applicant's personal home and email address, and payment of required fee(s). Also, the agency submitted a form that is not referenced in the rule and made need to be. It is expected that the agency will file a conditional approval request.
