Attached are Kim Reeve's comments on Final Proposal 2022-8 from the Board of Medicine regarding the amendments to renewal application.

The agency filed a conditional approval request and all the issues have been resolved. There is a note to the Committee on page 2 regarding the fee authority. The Committee voted on 11/19/20 that when reviewing board rules, to support the Executive Director of the OPLC in possessing sole fee authority pursuant to RSA 310-A:1-d, II(h)(1) and RSA 310-A:1-e, I and II. (Pursuant to RSA 310-A:1-e, I. (a) the Executive Director of the OPLC has authority to assess certification, renewal fees, and any necessary administrative fees associated with licensing or certifications.) The agency has been seeking a legislative fix the past couple of sessions to remove the fee authority that still remains in boards' statutes, and SB 330, 2022, establishes a study committee to review the issue. This proposal, NN 2022-8, requires applicant's to pay the required fee in Med 306.01 which represents fees established by the Board prior to the deletion of its fee authority via Section 80 of SB 58, 2021.
