SUBJECT: Final Proposal 2022-2 Reflexologists, Structural Integrators, and Asian Bodywork Therapists

To: File

Attached are Kim Reeve's comments on Final Proposal 2022-2 from the Office of Professional Licensure and Certification (OPLC) regarding the adoption of Plc 1100 on reflexologists, structural integrators, and Asian bodywork therapists.

There are substantive comments on pages 6 and 10. In addition, there are notes to JLCAR on pages 1 and 4. The substantive comments all relate to the public interest due to lack of clarity due to inconsistencies between the rule and the form and language clarity regarding how fines are calculated.

The notes to JLCAR relate to the intent of the possible enforcement of expired rules and the pending promulgation of rules regarding fees that are referenced in this proposal.
