SUBJECT: Final Proposal 2022-34 OPLC's Professionals' Health Programs Fees; Fees for Letter of Good Standing, Warranty Seal

To: File

Attached are Kim Reeve's comments on Final Proposal 2022-34 from the Office of Professional Licensure and Certification (OPLC) regarding the adoption and readoption with amendment of Plc 1001.08, Plc 1001.14, Plc 1001.15, and Plc 1001.16 on professionals' health program fees; fees for letter of good standing, warranty seal.

There is a Note to JLCAR on p. 2 regarding fees. This proposed rule references fees in another rule, Plc 1002, that has not yet been promulgated. Thus, the rule requires a fee that does not yet exist. However, the OPLC has filed an initial proposal with the Office of Legislative Services to establish Plc 1002 including the fees mentioned in this proposed rule.
