## Inter-Department Communication

**DATE:** January 10, 2022

**FROM:** Michael A. Morrell  
Acting Administrative Rules Director

**AT (OFFICE):** Legislative Services

**SUBJECT:** Proposed Interim Rule INT 2021-12  
Body-Worn and Dashboard Camera Fund

Attached are Christina Muniz's comments on Proposed Interim Rule INT 2021-12 from the Department of Safety relative to the adoption of Saf-C 9700 on the Body-Worn and Dashboard Camera Fund. The Proposed Interim Rule implements Chapter 91:144 of the Laws of 2021 (HB2) that amended RSA 105-D:3. The amendments to the statute became effective July 1, 2021.

INT 2021-12 has therefore been filed pursuant to RSA 541-A:19, I(a), which authorizes interim rules that are designed solely to conform with a new or amended codified state statute or chaptered session law.

Most of the comments relate to the public interest due to lack of clarity and to legislative intent due to the potential for oral rulemaking in violation of RSA 541-A:22, I.
