Re: NH Resolution for Fair Nonpartisan Redistricting

Dear Mrs. Porter,

By majority vote at the annual town meeting held on March 11, 2021 voters of the town of Antrim voted to urge that the New Hampshire General Court, which is obligated to redraw the maps of political districts within the state following the federal census, will ensure fair and effective representation of New Hampshire voters without gerrymandering.

Additionally, town of Antrim voters urge the NH General Court to carry out the redistricting in a fair and transparent way through public meetings, not to favor a particular political party, to include communities of interest, and to minimize multi-seat districts.

Sincerely,

John Robertson, Chairman
