Senator Feltes Reacts to Governor's Veto of SB 151

CONCORD—Today, **Senator Dan Feltes (D-Concord)** issued the following statement in response to Governor Sununu's veto of SB 151, establishing an administrative hearing procedure and penalty for an employer who fails to make payment of wages or who fails to secure workers' compensation coverage.

"Governor Sununu's veto of Senate Bill 151 holds New Hampshire back from making progress for workers whose employers refuse to provide workers compensation coverage, or even any compensation for their work. An honest day's work should get an honest day's pay, but not according to Governor Sununu who, once again, is siding with corporate special interests that evade the law instead of workers getting the coverage and the pay they are owed," said **Senator Feltes**, prime sponsor of SB 151.
