Senate President Soucy Statement on Commissioner Meyers Announcement

CONCORD—Today, NH Department of Health and Human Services Commissioner Jeffrey Meyers announced he would not be seeking renomination for the position.

After the announcement, Senate President Donna Soucy (D-Manchester) released the following statement:

“It has been a pleasure working with Commissioner Meyers to advance the best interests of New Hampshire citizens—whether in private practice, as Legal Counsel for the Senate and Governor’s office, or most recently in his position at Health and Human Services. I am grateful for Jeff’s dedication to our state and his work to improve access to mental health care, combat the opioid epidemic, and implement the New Hampshire Health Protection Program.”
