Liberty Utilities Announces End to Granite Bridge Project

CONCORD - Today, Liberty Utilities announced they will be stopping development on the Granite Bridge, citing their ability to alternatively fulfill customer demands for natural gas.

Senator Martha Fuller Clark (D-Portsmouth) issued the following statement in response:

“I am grateful to see that Liberty Utilities will be able to meet the needs of their customers and continue providing an affordable energy source while New Hampshire transitions to the use of more renewable energy. As the Chair of the Senate Energy and Natural Resources Committee, I am pleased to see their continued efforts to meet our state’s energy needs while minimizing the environmental and property impacts to New Hampshire.”
