New Hampshire Senate Democrats Release 2020 Policy Synopsis

CONCORD - Today, the New Hampshire Senate Democratic Caucus released their 2020 Session Policy Synopsis. The document outlines legislation put forward by Senate Democrats in relation to the COVID-19 pandemic, criminal justice reform, child protection, voting rights, and the promises made and kept through their Granite State Opportunity Plan which they campaigned on in 2018.

Senate President Donna Soucy (D-Manchester) issued the following statement alongside the synopsis:

“When Democrats took the Senate majority in 2018 we made a promise to our constituents. We promised to fight for New Hampshire workers and small businesses, expand access to quality, affordable health care, safeguard the right to vote, protect our environment and expand renewable energy opportunities. The Granite State Opportunity Plan followed through on those promises, delivering crucial legislation and building a state budget that works for everybody - not just those at the top. Particularly through the course of the coronavirus pandemic, I have been proud of Senate Democrats leadership at the state and local levels to move New Hampshire forward.”
