CONCORD – Today, Senate President Donna Soucy released the following statement in remembrance of Justice Ruth Bader Ginsburg.

“There are not enough words, not enough declarations, not enough time in a lifetime to begin to describe Justice Ruth Bader Ginsburg’s impact on our nation. Her tireless battle for gender equality allowed generations of women to believe that there are no limits to a woman’s power. Her relentless work to ensure the American promise of life, liberty, and the pursuit of happiness is unparalleled. Her image, her voice, and her legacy remind us each and every day what we fight for and the reasons we fight. The Notorious RBG will never be forgotten”
