DETENTION ASSESSMENT SCREENING INSTRUMENT (DASI)
INSTRUCTIONS

- When to Fill Out: Anytime law enforcement and/or Juvenile Justice personnel are seeking a secure, out-of-home placement of a juvenile.
- The instrument must be completed prior to seeking judicial approval.
- Help Completing the Form: During normal business hours, contact your local Juvenile Probation Parole office for assistance. After normal business hours, or on holidays, please call 1-888-230-0606 and ask to speak to the Juvenile Justice Helpline on-call Supervisor/Administrator.
- I-A Most Serious Current Offense: Choose the most serious current offense and fill it in on the blank space provided. Determine what level the offense falls into by using the "Offense Ranking" list. Match this to the corresponding score.
- If the most serious current offense is a Level I offense or a Violation of Conditional Release/FTA/Contempt with a Level I underlying offense, you must proceed to Part B. If the most serious current offense is a Level II- IV, proceed to Part C.
- I- B Additional Criteria for Level I Offense: This section must be completed if the most serious current offense is a Level I offense. Answer both questions. If both answers are "YES" proceed to Part C. If you answer "NO" or "UNK" to either question, the youth is not eligible for detention. Please see next section for ineligible youth.
- Youth Not Eligible for Detention: If after completing Section I, Part B, it is determined that the youth is not eligible for detention, a non-secure alternative may be an option. For assistance in determining the availability of such an option you can contact your local Juvenile Probation Parole office during normal business hours or call 1-888-230-0606 and ask to speak to the Juvenile Justice Helpline on-call Supervisor/Administrator after normal business hours or on holidays. Forward the DASI to the following email address: jdai@courts.state.nh.us.

DETENTION ASSESSMENT SCREENING INSTRUMENT INSTRUCTIONS

- I- C Additional Current Offense(s): This section allows you to add points if there are multiple charges in the referral for detention. These charges must not be lesser included offenses of the most serious charge listed in Part A. Choose the item that applies and the corresponding score. Proceed to Section II.
- II- Petitions Pending Adjudication: If the youth is currently pending adjudication on a petition choose the item that applies and the corresponding score. "Pending" implies that the youth has been arraigned on the charge. Proceed to Section III.
- III- Prior Findings of Delinquency: Choose the item that best applies to the youth. You can only choose 1 item. Proceed to Section IV.
- IV- Runaway/Absconding History: Choose the item that best applies to the youth. Proceed to Section V.
- V- Failure to Appear History: Choose the item that best applies to the youth. Proceed to Section VI.
- VI- Mitigating/Aggravating Factors: Choose ALL that apply to the youth in each category. Subtract mitigating factors from the total and add aggravating factors to the total. Proceed to Section VII.
- VII- Total Score: Add up the total score from each category and enter the total in the box provided. Proceed to Section VIII.
- VIII- Indicated Risk Factor Decision Scale: Based on the total score; check the box that corresponds to the correct range of points. This is the indicated decision based on the answers to the Detention Assessment Screening Instrument. This is the final area to be completed by the law enforcement officer or Juvenile Probation/Parole Officer.
- IX- Judicial Decision: This section is completed by the Judge. The Judge should check the box indicating what is being ordered in this case. If the Judicial decision and the indicated risk factor decision scale are not the same, the Judge is asked to give reasons in the space provided.
- What to do with the Forms: All DASIs, regardless of decision, should be sent to the following email address: jdai@courts.state.nh.us. If detained, the original should go to the court and a copy given to the Juvenile Probation Parole Officer.
