

Amendment to SB 155-FN

1 Amend the bill by replacing sections 1 and 2 with the following:

2
3 1 Temporary Health Partner Authorized in Skilled Nursing Facilities under Federal and State
4 Waivers.

5 I. In this section, "temporary health partner" means an individual who has been hired
6 pursuant to federal and state waivers of certain qualifications for long-term care facility staff.

7 II. To address staffing shortages at long-term care facilities and meet the needs of some of
8 New Hampshire's most vulnerable populations, the position of temporary health partner (THP) is
9 hereby authorized to work in a skilled nursing facility, notwithstanding any provision of RSA 326-
10 B:14, provided that:

11 (a) The THP completes training of no less than 8 hours, provided by a national
12 association such as the American Health Care Association or by a New Hampshire educational
13 program.

14 (b) THPs shall work under the supervision of an RN, APRN, or LPN, as is required of
15 LNAs under RSA 326-B:14.

16 (c) The scope of work authorized to be performed by THPs is limited to the work set
17 forth in this section and shall be performed in accordance with the resident care plan.

18 (d) The THP has demonstrated competency, as determined by the employing long-term
19 care facility, prior to performing any of the activities set forth in this section.

20 III. Scope of work for a temporary health partner (THP):

21 (a) The THP is a temporary position limited to assist LNAs and nurses in their daily
22 tasks. Each of these tasks shall not be performed without proper training and demonstrating
23 competency in such tasks. The THP shall work under the direction and supervision of licensed
24 nurses to assist nurses and LNAs to provide services set forth in each resident care plan. Before
25 performing any tasks described in subparagraph (b), the THP shall have been trained and
26 demonstrated competency to perform such tasks, and shall review and adhere to the resident care
27 plan. The facility shall provide direction and oversight to the THP.

28 (b) After the employing facility ensures skill competency, the THP may perform any of
29 the following activities:

30 (1) Nutrition and elimination assistance. Assist with elimination, including toileting
31 and peri-care, and assist with routine ostomy care.

Amendment to SB 155-FN
- Page 2 -

1 (2) Comfort care and end-of-life care. Assist with promoting comfort and sleep,
2 assist with end-of-life care, and assist with physical care of body after death.

3 (3) Activities of daily living. Assist with bathing, oral care, denture care, grooming,
4 shaving, nail care, and dressing and undressing.

5 (4) Infection control practices. Assist with hand hygiene, standard and
6 transmission-based precautions, cleaning and disinfection, utilization of personal protective
7 equipment (PPE).

8 (5) Positioning, moving, and restorative care. Assist with ambulation or walking
9 and occupied bedmaking.

10 III. The position of THP shall not be considered a substitute for licensure as an LNA under
11 RSA 326-B:14 but is intended to assist the work of LNAs. The THP shall not perform services
12 independently and shall be supervised by licensed nurses at all times.

13 2 New Section; Office of Professional Licensure and Certification; Emergency Licensing Process.
14 Amend RSA 310-A by inserting after section 1-g the following new section:

15 310-A:1-h Emergency Licensing Process. Notwithstanding any other law to the contrary, the
16 office of professional licensure and certification may issue emergency licenses to the following
17 applicants:

18 I. Any medical provider previously licensed in New Hampshire in the last 3 years whose
19 license is no longer active, subject to the following:

20 (a) The medical provider's license was in good standing prior to being placed in inactive
21 or lapsed status.

22 (b) Notwithstanding any law or rule to the contrary, a medical provider shall not be
23 required to complete continuing education as a condition precedent to reactivating their license
24 pursuant to this section.

25 II. Any medical provider previously licensed to practice in another jurisdiction within the
26 last 3 years whose license is no longer active, subject to the following:

27 (a) The medical provider's license was in good standing in another United States
28 jurisdiction prior to being placed in inactive or lapsed status; and

29 (b) The medical provider presents evidence to the office of professional licensure and
30 certification that the medical provider was licensed and in good standing immediately prior to the
31 change in licensure status.

32 (c) Notwithstanding any law or rule to the contrary, a medical provider shall not be
33 required to complete continuing education as a condition precedent to receive an emergency license
34 pursuant to this section.

35 III. Any fellow enrolled in a New Hampshire program accredited by the Accreditation
36 Council for Graduate Medical Education to practice within the fellow's core specialty, subject to the
37 following:

Amendment to SB 155-FN
- Page 3 -

1 (a) The fellow is American Board of Medical Specialties (ABMS) or American
2 Osteopathic Association (AOA) board-eligible or certified in the core specialty.

3 (b) The fellow is appointed to the medical staff at a sponsoring institution and will
4 engage in practice consistent with the policies and procedures of the sponsoring institution and its
5 participating sites.

6 (c) The time spent in core specialty service is limited to 20 percent of the fellow's annual
7 education time in any academic year.

8 (d) A fellow seeking to practice under this paragraph shall provide the office of
9 professional licensure and certification with appropriate evidence that the required qualifications
10 have been met.

11 IV. Senior nursing students, who are scheduled to graduate within 5 months from the date
12 of application, from a board of nursing approved registered nursing or practical nursing program,
13 subject to the following:

14 (a) The individual is employed by or providing health care services at the direction of, a
15 licensed health care facility or a licensed health care provider.

16 (b) The individual is directly supervised while providing health care services.

17 (c) The health care services are being provided in response to the COVID-19 pandemic.

18 V. Any provider seeking an emergency license under this section shall submit his or her
19 request on a form adopted by the office of professional licensure and certification for such purpose.

20 VI. In this section, an applicant in good standing shall include medical providers who are
21 subject to nondisciplinary conditions, but shall not include medical providers whose licenses have
22 been revoked, canceled, surrendered, suspended, denied, or subject to disciplinary restrictions.

23 VII. Licenses issued pursuant to this section shall be on a temporary basis and shall expire
24 on or before January 31, 2022.

25 VIII. All individuals licensed under this section shall be subject to the jurisdiction of the
26 state licensing body for that profession.

27 IX. The office of professional licensure and certification may issue guidance relative to the
28 emergency licensing process established in this section, which may include guidance concerning the
29 appropriate supervision of nursing students. Any guidance shall be posted on the board's website.

30
31 Amend the bill by replacing all after section 4 with the following:

32
33 5 New Section; Pharmacists and Pharmacies; Out-of-state Pharmacies as Temporary Limited
34 Licensed Mail-Order Facilities. Amend RSA 318 by inserting after section 37 the following new
35 section:

36 318:37-a Out-of-state Pharmacies as Temporary Limited Licensed Mail-Order Facilities.

Amendment to SB 155-FN
- Page 4 -

I. To protect public health and increase access to medical care in New Hampshire, and to promote and secure the safety and protection of the people of New Hampshire, any out-of-state pharmacy seeking to ship investigational drugs to clinical trial participants who reside in New Hampshire and who are unable to retrieve the investigational drugs from the out-of-state pharmacy due to the novel coronavirus shall be allowed to operate as if the out-of-state pharmacy were licensed as a mail-order pharmacy within the state of New Hampshire if the following conditions are met:

(a) The out-of-state pharmacy is licensed and in good standing in another United States jurisdiction.

(b) The medical services provided within New Hampshire are in-person or through appropriate forms of telehealth.

(c) The out-of-state pharmacy presents to the office of professional licensure and certification evidence that they are licensed in good standing in another jurisdiction. Such out-of-state pharmacies shall be issued an emergency mail-order pharmacy license at no cost, which shall remain in effect until January 31, 2022.

(d) Such out-of-state pharmacies shall be subject to the jurisdiction of the board of pharmacy while acting under an emergency mail-order pharmacy license.

II. The office of professional licensure and certification, in consultation with the board of pharmacy, shall provide assistance and guidance, as necessary, to out-of-state pharmacies regarding the requirements of this section.

6 New Subdivision; Local Land Use Planning; Protection of Pre-existing, Non-conforming Use Status for Summer Camps. Amend RSA 674 by inserting after section 73 the following new subdivision:

Protection of Pre-existing, Non-conforming Use Status for Summer Camps

674:74 Protection of Pre-existing, Non-conforming Use Status for Summer Camps.

I. Notwithstanding any provision of law or municipal ordinance or regulation to the contrary, any summer camp that has been operating in the state of New Hampshire as a pre-existing, nonconforming use under its applicable zoning ordinance that either closed for the summer of 2020 and/or 2021 due to the COVID-19 pandemic, or was forced to operate for a shorter season or at a reduced capacity during the summer of 2020 and/or 2021 due to the COVID-19 pandemic, shall not lose its status as a pre-existing, non-conforming use due to either:

(a) Its failure to operate during the summer of 2020 and/or 2021; or

(b) Its operation for a shorter season or at a reduced capacity during the summer of 2020 and/or 2021.

II. The summer camp's status or ability to operate as a pre-existing, non-conforming use shall not be in any way affected by its failure to operate during the summer of 2020 and/or 2021, or its operation for a shorter season or at a reduced capacity during the summer of 2020 and/or 2021.

Amendment to SB 155-FN

- Page 5 -

7 Liquor Licenses and Fees; Authorization for Other Areas; Expansion of Outdoor Dining.
Amend RSA 178:24 to read as follows:

178:24 Authorization for Other Areas. A business holding a license authorizing the consumption of alcoholic beverages on its licensed premise may petition the commission for permission to extend service for beverages and liquor to any clearly defined area under the control of the licensee. ***In addition, a licensee may expand into a shared space, such as a sidewalk or street, with the approval of local officials.*** Petitions shall include written plans and diagrams that shall provide detailed information on the proposed extension of alcohol service. Petitions shall also conform to local zoning requirements and include the written approval of local officials. ***Businesses served by a waste disposal system, as defined by RSA 485-A:2, XI, shall obtain approval from the department of environmental services for any expansion under this section. Businesses that are on municipal sewer may expand seating as permitted by the municipality.*** The commission may approve plans submitted by licensees and may add such terms and conditions as it deems appropriate to preserve public health and safety. The commission may deny, in its discretion, any petition under this section which constitutes a risk to public health, safety, or welfare of any community.

8 Prospective Repeals. The following are repealed:

- I. RSA 310-A:1-h, relative to emergency licensing procedures.
- II. RSA 318:37-a, relative to out-of-state pharmacies temporarily licensed as mail-order facilities.

9 Effective Date.

- I. Paragraphs I and II of section 8 of this act shall take effect January 31, 2022.
- II. The remainder of this act shall take effect upon its passage.

2021-1646h

AMENDED ANALYSIS

This bill:

- I. Establishes the position of temporary health partner.
- II. Authorizes emergency licensing of medical providers.
- III. Authorizes COVID-19 testing by pharmacists and pharmacy technicians.
- IV. Permits out-of-state pharmacies providing investigational drugs to clinical trial participants in New Hampshire to be temporarily licensed as mail-order pharmacies.
- V. Protects the pre-existing, non-conforming use status of summer camps that were unable to operate during the summer of 2020 or 2021 due to COVID-19.
- VI. Allows expanded outdoor dining.
