This bill makes numerous revisions to funds, positions, and programs within the department of health and human services, including the therapeutic cannabis program; youth tobacco use; residential care and child placement licensing procedures; availability of epinephrine auto-injectors and asthma inhalers at recreation camps; the developmentally disabled wait list; the New Hampshire granite workforce program; and child protection investigations. The bill also establishes a public health services special fund and directs certain fees to that fund to be used by the department for program oversight.
