Short Title: Whistleblowers' Protection Act

6. (a) Summary of what the rule says and of any proposed amendments:

The Department of Labor proposes to readopt with amendment the existing rule of Lab 900 as required by RSA 275-E, the New Hampshire Whistleblowers' Protection Act. The rule sets form definitions, posting requirements, and procedures relating to the Act.

This proposal seeks to amend Lab 900 to:

- Clarify typographical errors in the current rule;
- Add additional information to the current public employee complaint form; and
- Clarify the Department of Labor's responsibility for processing the public employee complaint.
- 6. (b) Brief description of the groups affected:

The rule affects all employers and their employees in this state covered by the protection of the New Hampshire Whistleblowers' Protection Act.

6. (c) Specific section or sections of state statute or federal statute or regulation which the rule is intended to implement:
