

Welcome & Introductions	Katie Robert, Martha McLeod, Julianne Battista, Greg Norman, Heather Phillips, Yvonne Goldsberry, Daisy Pierce, Adam Steel, Kerran Vigroux, Dian Quinlan, Marie Ramas, Bobbie Bagley, Charlene Lovett, Julie Bosak, Jo Porter, Jerry Knirk, Tom Sherman, Richard Friedman, Patricia Tilley, Polly Champion, Lisa M Morris, Josh Meehan, Carolyn Murray, Lisa Bujno, Ciera Hunter, Kim Macnamara, Abigail Rogers, Nick Mecuri, Lynn Lippitt, Tyler Brannan, William Marsh, Jaime Hoebeke	
	Discussion / Questions	Action Items for Follow up
Affirm group charge and relevant timeframes	<ul style="list-style-type: none">How has COVID-19 changed our approaches?<ul style="list-style-type: none">More electronic distribution of the initial surveyHow can we amplify marginalized community voices of NH?Initial survey will not be the “end all”Language and language barriers to be consideredWhat we understand about NH and people’s experiences and perceptions from surveys we have from prior to COVID may have shiftedTimelines<ul style="list-style-type: none">Render necessary data in order to have an adequate surveyIdentifying approaches that will help us translate the needs from the public, representing a variety of perspectivesIdentifying gaps to improve outcomes and information	<ul style="list-style-type: none">Will continue to review domains and data collected to date with this group for feedback
Priority: Review community survey	<ul style="list-style-type: none">Goal: Collecting data in a central location. Is this realistic?<ul style="list-style-type: none">Aiming for an effective response rate from a diverse group of respondentsHow does electronic based distribution change the diversity of responses?<ul style="list-style-type: none">Bandwidth/language barrier may hinder vulnerable/minority groups from completingComing up with strategies to not slow dissemination down. Our approach will be to polish up the existing survey to best capture data from a general audience, then create adapted strategies to collect that data from our priority pops.Yvonne suggests Facebook Live and Whats App for a potential outreach method<ul style="list-style-type: none">Heather agrees FB Live has been a great methodDr. Ramas suggests printed surveys distributed through community health centers, religious institutions or other community hubs may get more varied responses. We should consider incentives for completing surveys as well.Richard wonders if there is a way to utilize the various EHR and hospital systems patient portals to outreach to specific targeted populations for these surveys	<ul style="list-style-type: none">Subcommittee will continue to talk about survey and report back to the full group
Identify process for coordinating and reporting feedback	<ul style="list-style-type: none">UNH Presentation<ul style="list-style-type: none">Unique factors of NH<ul style="list-style-type: none">Intergenerational livingMostly white, older adults	<ul style="list-style-type: none">Domain 2 will be reviewed in December, along with any updates available from Demographics and Domain 1

	<ul style="list-style-type: none"> ● In some areas, there is rapid change, especially among racial/minority and subpopulations - In looking at the overall "slow" rate of change of the demographics, will we miss some of the rapid "hyper- local" changes? ● Are we capturing education or literacy? ● Financial status? ● Veteran status? ● Nashua may undercount homeless population, other populations may be underreported ● Winter-only reporting may not be as effective ● Additional questions <ul style="list-style-type: none"> ○ Are you a full time resident? Seasonal resident? ○ Are you a college student? ○ Which services are you accessing, where do you access them from? ● Access to opportunity <ul style="list-style-type: none"> ○ Broadband and cell service ○ Median household income ○ Employment ○ Affordable housing ○ High school graduation rate ○ Preschool enrollment ○ Public and private schools ● Charlene suggests through this work could we advocate for legislation that would incentivize developers to build affordable housing. <ul style="list-style-type: none"> ○ Lack of incentives is a problem ● Focus should be on broadband in terms of connectivity ● Financial Impact of COVID-19 <ul style="list-style-type: none"> ○ NH unemployment rate at 6.5% as of August 2020 ○ Housing insecurity (14.9% of adults could not pay rent/mortgage last month) ○ No financial incentive to build affordable housing ● Big problem: NH professionals cannot afford to live in the areas they work in <ul style="list-style-type: none"> ○ Affecting nurses, teachers, young professionals ○ Wages low, housing costs high ○ How does this affect seasonal work? ● Should we bring in a relationship with corrections? 	
Public Comment	<ul style="list-style-type: none"> ● None 	<ul style="list-style-type: none"> ●
Next Steps	Next Meeting December 18, 2020 at 9:30	

Council Membership List, as of 11/19/2020, 12:25PM

Council Member Name	Council Member Designation	Attendance	Approval of 10/16/2020 Meeting Minutes
Tom Sherman	Senate Majority: first named	Yes	Abstain
Jerry Knirk	House Majority	Yes	Abstain
William Marsh	House Minority	Yes	Yes
Jeb Bradley	Senate Minority	No
